"In East Hartford there exists one of the best teacher-pupil relationships in the state!" How proud your teachers are of such commendation from an official of the State Department of Education. This warm and personal interest in student welfare may explain the friendly feeling that exists in our schools. Like a pebble tossed into a pool, the waves in everwidening circles extend outward from teacher to pupil, from pupil to pupil and from school to home. The same kindly interest in each other's welfare, extending outward from the community to other towns and states and nations, could make of this sorry world a happier place.

H. K. Idleman,  
Superintendent

## *Board of Education*

Mr. Thomas Ciccalone, Mr. Carl W. Trehwella, Mrs. Clara Moore, Mr. Lester Turney, Dr. Martin McCue, Chairman; Mr. Hillis K. Idleman, Superintendent; Mrs. Rose Lynch, Mrs. Mary Conroy, Mr. Edgar Beaumont. Absent, Dr. Edward H. Truex.

One of the greatest rewards of teaching school is the warmth of the many friendships that spring from a group of students cooperatively striving toward preparation for a better life.

Friendships of this kind, unselfish and uncalculating, are a great force in the solution of most vital social problems that face our troubled world.

Too often friendship is generated for purposes that benefit the individual rather than the group. This leads to distrust and suspicion, which, in a school, produce unhappy and unsuccessful students and teachers; in industry incite strikes; among nations foment wars.

Extend your friendships among your fellow-men without thought of personal profit and soon you will be rich in the security of their respect and admiration.

Stanley H. Lorenzen,  
*Principal*

*"Education does not mean teaching people what they know . . . It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all—by example."*

*Ruskin*

Mr. Lorenzen, you have, in the short time that you have been with us, proved to be truly sincere in your responsibilities as principal. You have fulfilled our every expectation. Your unfailing interest in our education and training will never be forgotten.

It is with deep admiration that we hold in our hearts your foresight, understanding, and ideals for a greater goal of prosperity and good will.

## Class Officers of 1948

Secretary . . . . .	Anna May Youell
President . . . . .	John Kilty
Vice-President . . . . .	Walter Glennen
Treasurer . . . . .	Edward McNamara

Through our Senior Class officers of 1948, we, the Senior Class, have tried to promote friendship not only in our homes, town and school, but in the nation and the world. Our school leaders have made this the goal of our last year in high school. They realize that through friendship—and only through friendship—can the high ideals of understanding and cooperation be achieved.

There is such a friendship between our students and teachers, our teachers and parents, and our school and town. This, therefore, creates a better relationship among the people of our community. A community that dedicates itself to these ideals may indeed be an inspiration to the people of the world, who, during these times of stress, look forward with hope to a world of peace and unity through friendship

JOHN AREGOOD  
"Jack" Practical  
*"He is wealthy in his friends."*  
Football 1, 3, 4.

## *E. H. H. S. School Song*

Our praise fills the air,  
 As we raise our banner high.  
 The sight of our colors, blue and white  
 Guides us on, as we watch it fly.  
 Through life's stormy seas  
 We can weather any gale;  
 So, cheer for East Hartford, let it ring  
 For we pledge our strength to you.

Let us sing the praises of East Hartford  
 High we love so dear  
 We will laud her heroes of the field and  
 track  
 The remembrances of the four years we've  
 spent together here  
 Will shine brightly when thoughts turn  
 back.  
 Wealth cannot measure all we gain from  
 her nor time deny  
 That these four years are not in vain—  
 So give a cheer, a rousing cheer, for dear  
 East Hartford High  
 And to her will our loyalty remain.

### CHORUS

Oh, East Hartford, East Hartford!  
 'Tis a name full of fame as in the days  
 of yore.  
 May it ever prove more glorious  
 Till the sun shall climb the heavens no more.

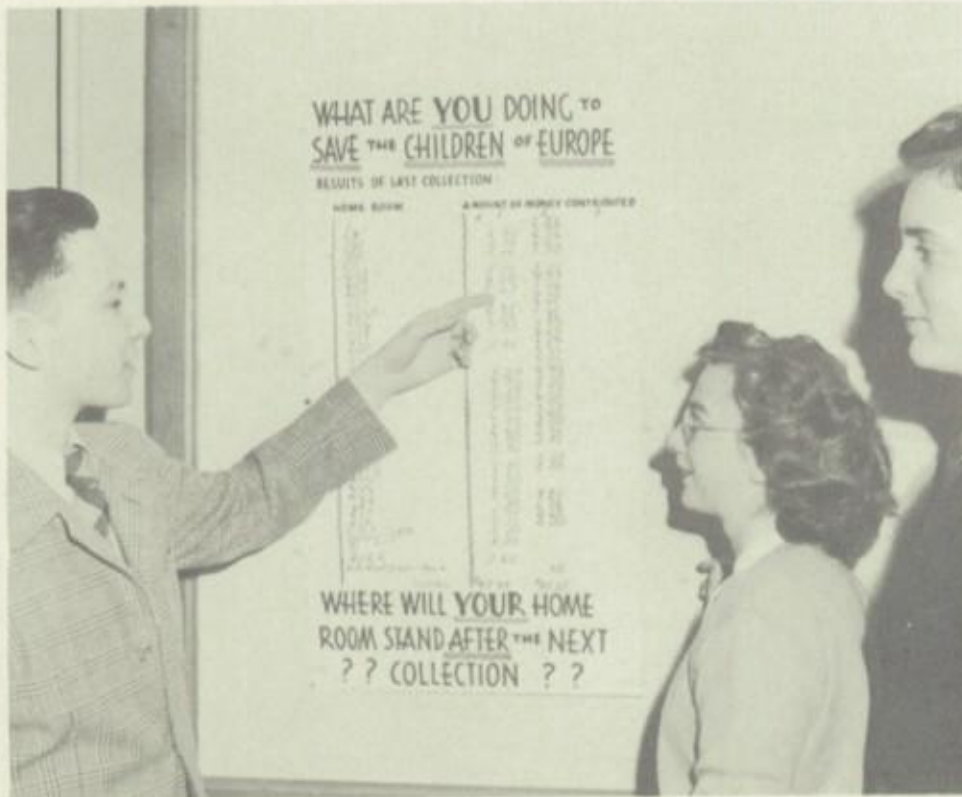

Not for school  
but for life

"I have roamed o'er many lands..."

## *International Relations Club*

The International Relations Club is made up of students who wish to broaden their views on international affairs. To help the members become acquainted with the peoples of the world, the programs consist of speakers, movies, and exhibitions concerned with foreign affairs. Through their learning of others, the students strengthen their friendship with foreign countries.

## *Modern History*

This class helps the students to learn the histories of foreign countries. In order to understand the present better, it is necessary to know something of the past. To cooperate with other people for world peace, we must be able to understand them and their customs.

And many friends I've met."

### *French Club*

Under the excellent auspices of Miss Springfield, the French Club has become a very prominent organization among the students of French. Here they pursue further the study of France and become better acquainted with her people and customs, as well as her language.

### *The Spanish Class*

La clase aplicada esta trabajando y aqui se puedan ver las turistas que haran un dia un viaje en Sud America.

Mr. Beadle teaches us about our neighbors in Mexico, Central and South America. By learning their language and customs we will be helping to promote our Good Neighbor Policy.

"This is America!

This is the new world!"

### *F. B. L. A.*

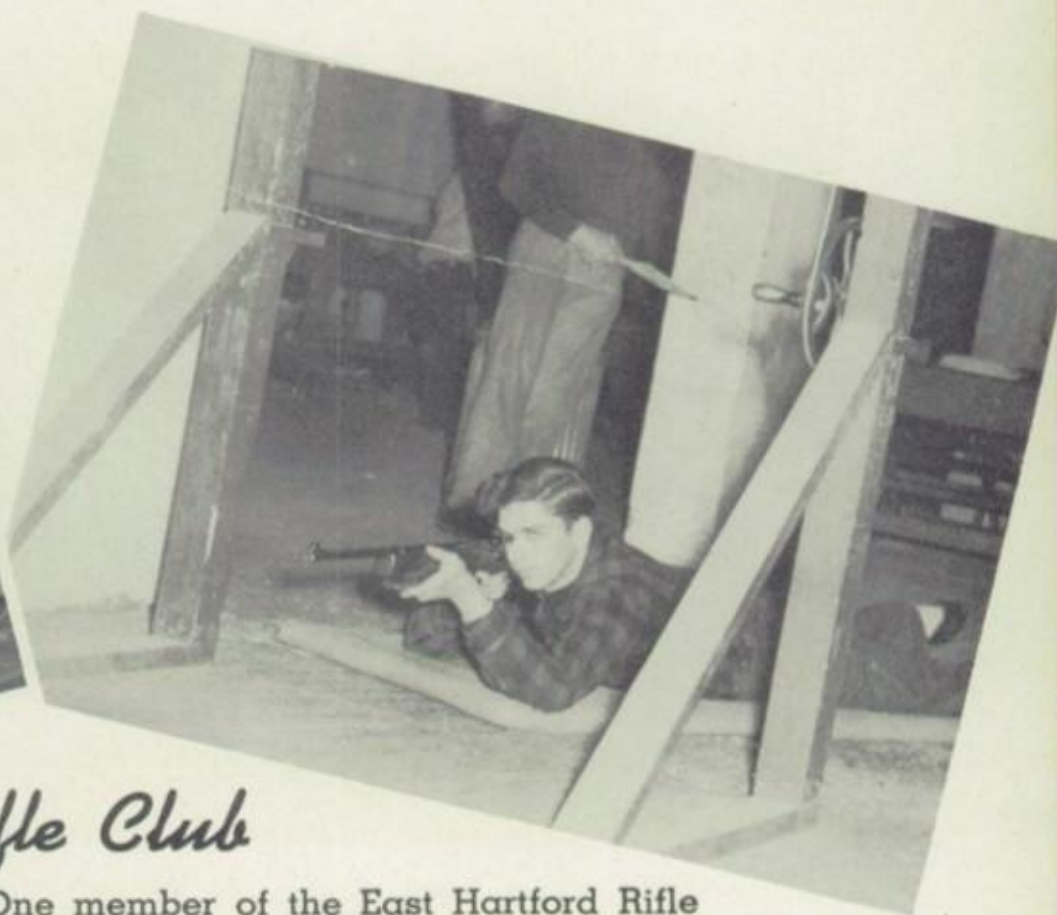

The Future Business Leaders of America are a group of scholastically high rating students, most of whom are of the "fairer sex", who have done a remarkable job in helping out with the business side of the school. This club equips its members with a better knowledge of the ways of the business world.

### *National Honor Society*

The National Honor Society is a nation-wide organization, of which the Tucker Chapter is one branch. Scholarship, leadership, character, and service are the qualities which determine membership. To be eligible a student must be a Junior or Senior and rank in the upper fifth part of his class.

## *The Rifle Club*

Bang!! That one was a bull's eye! One member of the East Hartford Rifle Club displays prone position. This newly-organized club has been making rapid strides in perfecting their marksmanship. They have recently begun shooting in competition with similar groups from other towns. The club is affiliated with the National Rifle Association and has received sufficient ammunition, targets, and cleaning fluid from the Government. This friendly rivalry helps to promote a feeling of good fellowship all around.

## *Broadcast*

Every week representatives from four schools in our vicinity participate in a forum to discuss the pros and cons of a question important to our nation. These discussions are broadcast over a local radio station. Various schools act as hosts during the year, and a different group of representatives is present for these broadcasts each time. Although no agreement is reached, both the radio audience and the participants obtain a broader understanding of the subject.

*"A community is like a ship —*

### *Glee Clubs*

E.H.H.S. is very proud of its outstanding combined glee clubs. For many years these clubs have been famous not only in the school and community but also throughout the state. The girls and boys who make up these clubs come, for the greater part, from the upper classes. Every year, under the excellent guidance of Miss Rayner, they produce entertainment in the form of a pageant; Christmas Carol singing, as shown here, at Sage-Allen's; festivals; or singing with other schools at the Bushnell Memorial in Hartford.

### *Teen Center*

The Teen Center provides recreation for the students after school. They dance, play ping pong or cards, read, and talk. Coke is available and the atmosphere is always a pleasant one. This center is open to all students in the community and helps to discourage juvenile delinquency.

everyone ought to be prepared to take the helm."

## *Sunday School*

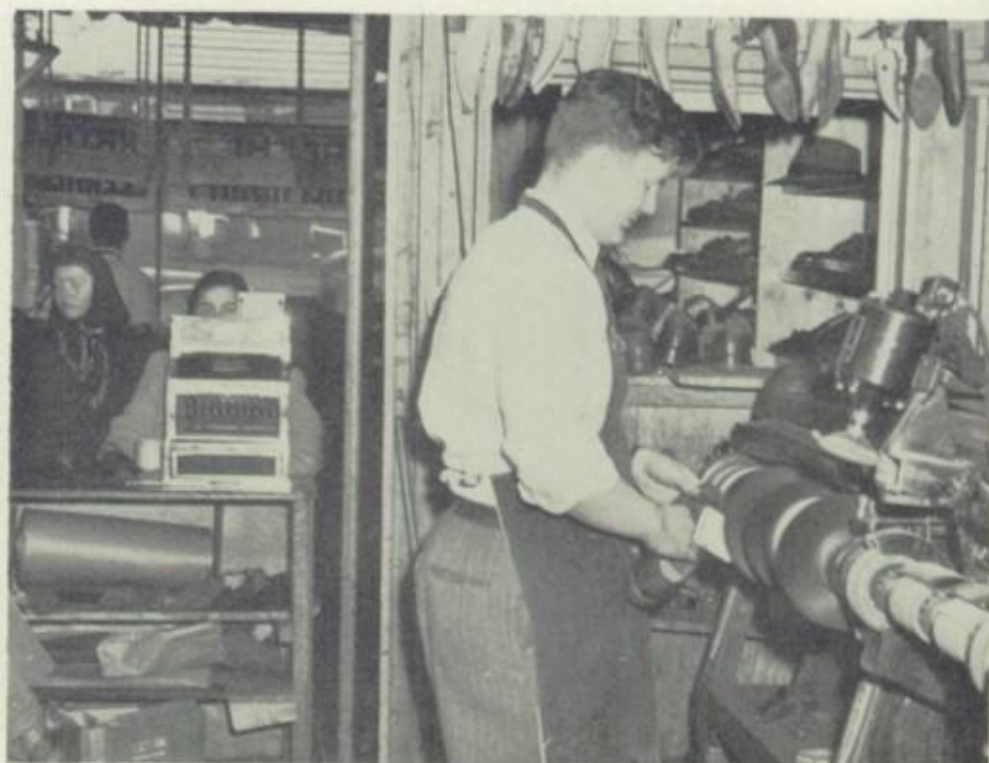

The students who teach Sunday School are doing a great service to the community. They help the children to get a knowledge of the religion they live by, which is an important part of their lives.

## *Scouting*

Boy Scouts, too, spend their time in trying to better the community. They help out during all the campaigns and drives that are put on by the town. They are doing all they can to make our community a cleaner and safer place in which to live.

## *Working Around Town*

Everyone needs extra spending money! You and I and everyone. Many of the students have jobs after school. Vanda finds her work at the Federal Savings and Loan Association helpful in broadening her outlook on business affairs. Dot says her work at the Eastwood is fun and helps her to meet and know the people. Ed, at the shoe store, and the boys from the First National find the money a very useful item.

## *Raymond Library*

The Raymond Library is located in such a spot as to give everyone ample opportunity for pleasure and learning. The students are grateful for the chance to learn about their town, state and country.

## *Wickham Library*

At the Wickham Library children learn to read for both enjoyment and education. Adults find pleasure in a pleasant atmosphere. Without these libraries our community would, indeed, be a poor place for learning.

"A man travels the world over in search of

### *Home Nursing*

If anyone is ill, just run for an E.H. girl who has learned the "know how" through the home nursing course, and she will soon have things under control.

### *Home Economics*

Those students who are interested in a domesticated East Hartford take an interesting course in Home Economics. In this course both cooking and sewing are practiced.

what he needs and returns home to find it."

### *Clip and Stitch*

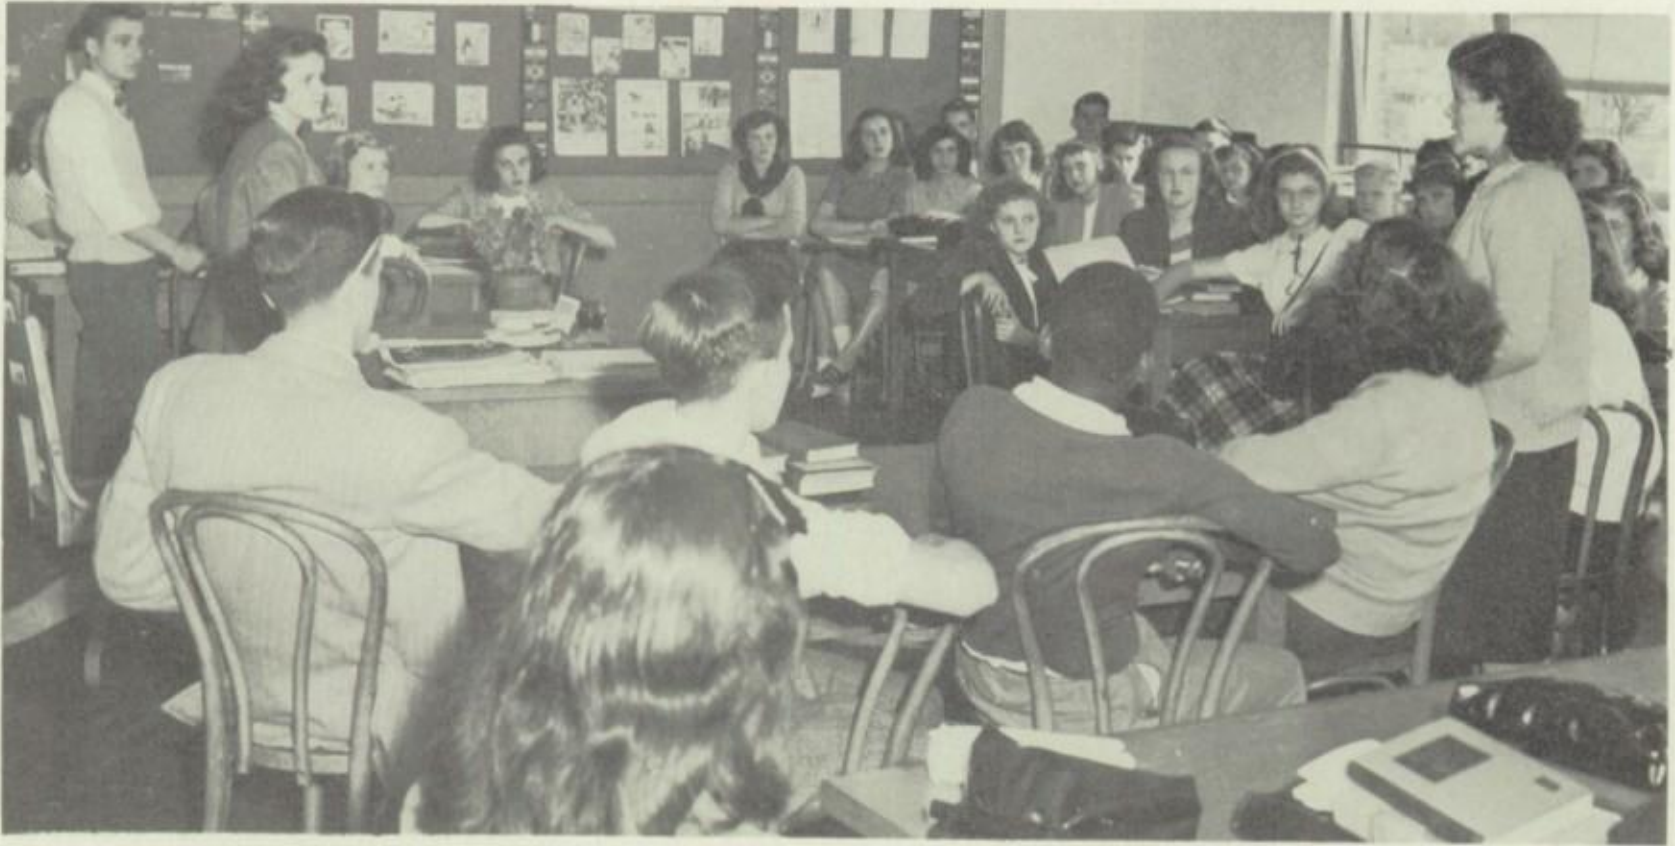

The girls in E.H.H.S. who are out and out sewers spend their time in learning how to really specialize through the Clip and Stitch Club.

### *Dinner Belles*

The future cooks of E.H.H.S. indulge in their extra time in a club that deals exclusively in the field of foods. These girls delight not only in seeing the result of their cooking but also in realizing that "The way to a man's heart is through his stomach."—(Isn't that so!)

## *Student Council*

"Let's take it to the Student Council." That cry is often heard during the course of a school year. The Student Council, through its members, helps promote friendliness and cooperation throughout the school. This governing body began a campaign to improve the school this year. Its worthy task is proving a great success.

## *Pilot*

The *Pilot*, our school newspaper, is our way of making use of our Freedom of the Press. Every student has the opportunity to express his opinion by writing an article and sending it to the editor. Only the *Pilot* staff realizes how much work has to be put into each edition of our newspaper. Barbara Hebb, the editor, and Miss Elizabeth Larrabee, the adviser, have done an excellent job of seeing that this year's *Pilot* is one of the best.

the girls who have shown special talent have also been chosen for the Girls'

## *Girls' Glee Club*

For many years E.H.H.S. has turned out numerous girls with well qualified voices. These voices have been trained by Miss Rayner in the Glee Club and the girls who have shown special talent have also been chosen for the Girls' Ensemble, a group of eight or ten girls. Apart from the combined Glee Club these girls enjoy singing in harmony to the notes of some very beautiful songs.

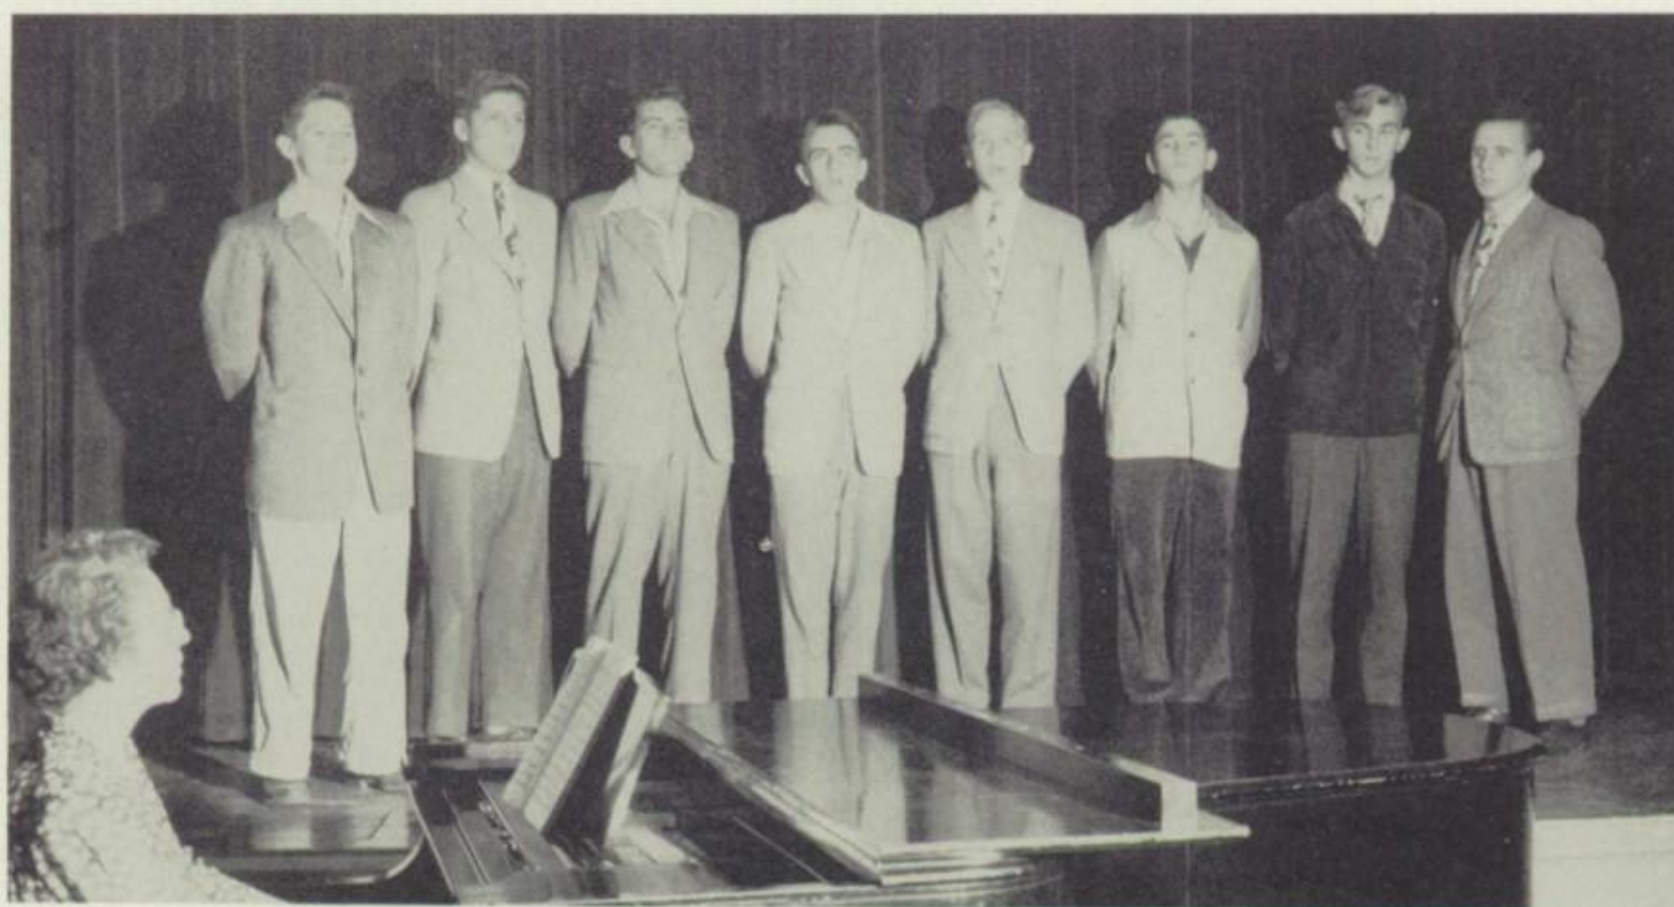

## *Boys' Glee Club*

The Boys' Glee Club is composed of students who delight in singing the robust songs of sailors, etc. Who knows? There may be an unknown Melchior or Nelson Eddy in our midst!

The Boys' Double Quartet is a group of select singers who show outstanding talent in the field of singing. They sing at many small gatherings and are a very important part of our music department.

## *Freshman and Sophomore Choruses*

Many of our enthusiastic underclassmen under the competent leadership of Miss Doris Rayner, are enjoying themselves singing songs and learning to appreciate music. These clubs enable students to perfect their talents well enough to carry on to future music groups in and out of E.H.H.S.

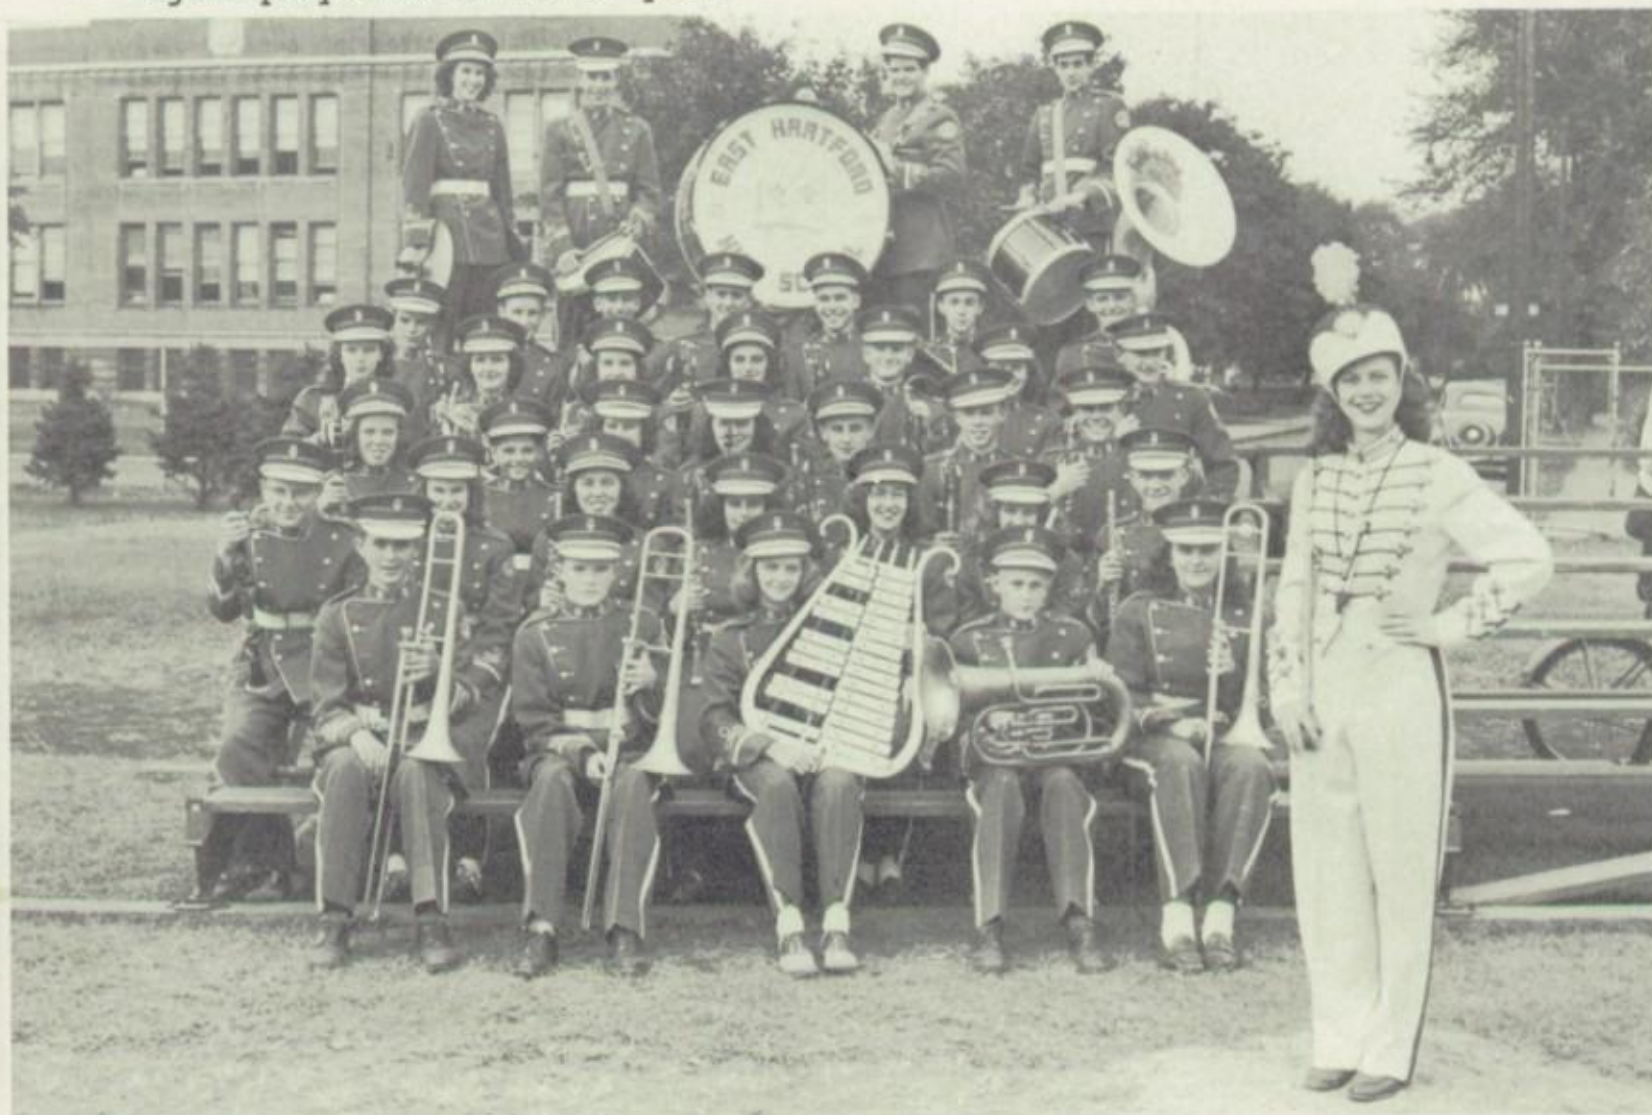

## *Orchestra*

One of the worthwhile groups in school is our orchestra. These musical students under the guidance of Miss Rayner play at assemblies, plays and special events.

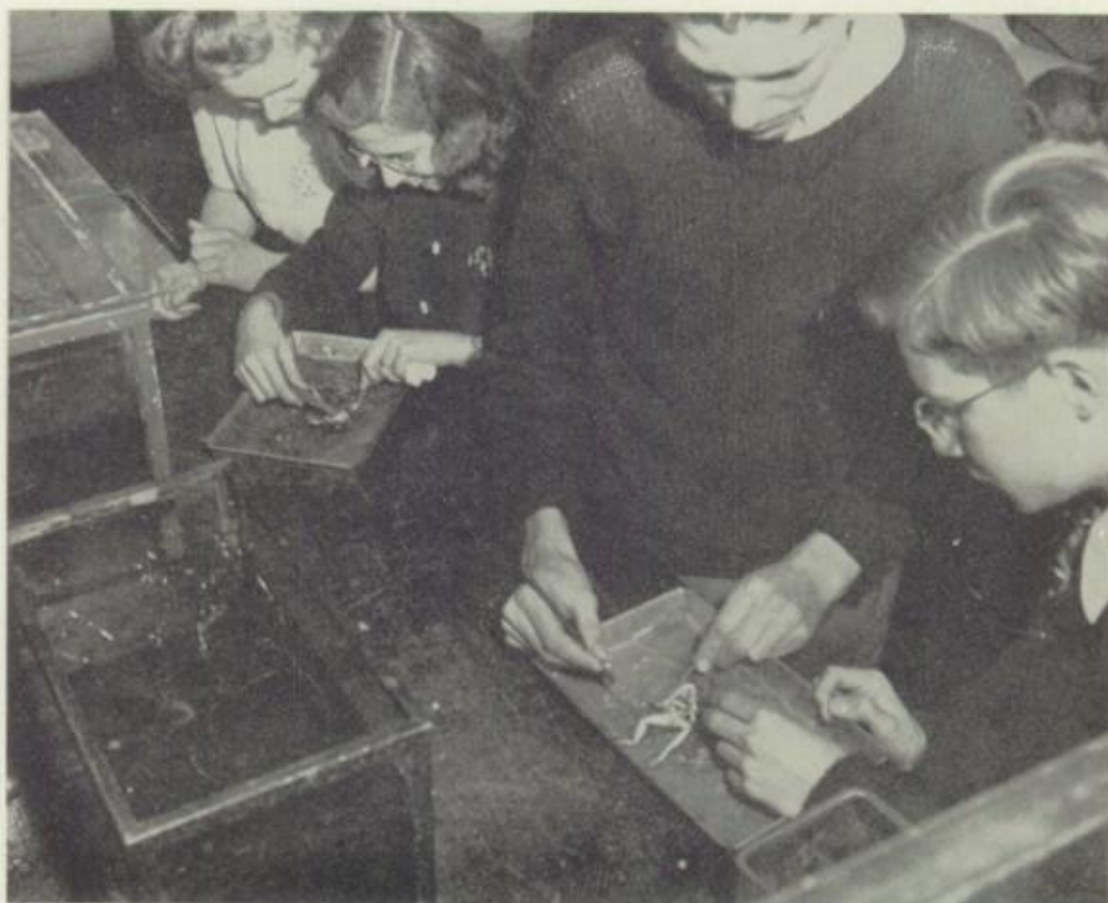

## *Band*

As the band struck up to the tune of "Our Praise Fills the Air" we all acquired a deep feeling of pride. Under the leadership of Mr. Peiffer, our band has again played a successful year.

## *Nature Club*

Observe, my good people, the environment surrounding you! Ah, beautiful nature! The lovers of the phenomena and processes of nature are sure to be found in the Nature Club. They have helped improve our school's landscape through their studies and observation of natural life.

## *Camera Club*

Has anyone come up to you and said, "Say cheese"? And did you say "cheese", and then was there a "click" and a thank you? Well, undoubtedly, it was a member of that inquisitive Camera Club. Miss Hastings, their efficient instructor, sees that the members of the club learn as much about photography as possible.

## *Library Club*

The Library Club is one of the most progressive clubs in East Hartford High. Its membership includes not only booklovers, but fun lovers. Besides reviewing books, the Library Club has plays, parties, trips, and games as part of its meetings. One of the main events is the Hobby Show, which displays for one week the hobbies of students. For a club with varied activities, it's the Library Club.

## *Science Club*

The Science Club is open to all students who are interested in science. The members of the club share their knowledge by making reports of their discoveries. The club sponsors an assembly in which they perform experiments on information obtained from accurate observation and studying.

## *Masquers*

Once every year the houselights dim and the blue curtains part to reveal a scene from the Masquers big production.. This year the humorous struggles of that teen-aged boy, Henry Aldrich, were dramatized in the play "What A Life".

The Masquers club gives any student who desires it a chance to show what he can do in the way of acting, directing, building sets, painting scenery, and other phases of stage work.

This year's production offered numerous opportunities to all members of the club; and from the way in which the students accepted "What A Life", it can safely be said that the Masquers have had a successful year.

## *Audio- Visual Aids*

"Have you heard?  
We're going to have a  
movie today!"

Through the efforts and cooperation of the Visual Aids Squad, classes have become more enjoyable. Mr. Thompson, their very capable adviser, has trained students to be very skillful in the showing of movies and slides, and in all their Audio-Visual Aids work.

## *A. G. E.*

Ever hear of the Alpha Gamma Epsilon? Sure you have. It's the club the upperclass girls belong to, and is better known as the A.G.E. For annual activities this club has a fashion show, a thrilling formal, and numerous parties and outings.

## *As I Like It*

Fun, friendship, knowledge, understanding, leadership, and service —The As I Like It is all this, and more. This popular organization composed of freshman and sophomore girls upholds friendship and cooperation throughout the years.

## *Boys' Leaders Club*

The Boys' Leaders Club is a new, primarily athletic, organization in school this year. This group has charge of the locker room and performs other functions that tend to better co-operation and spirit in the school.

Boys in the three upper classes are eligible for this club if they have stayed on a varsity squad for an entire season and have been voted in by a two-thirds vote of the membership.

"It's a bird! No, it's a plane." These words were echoed from the multitude of people assembled for the annual East Hartford-Manchester football game at the "Dust Bowl". A helicopter which landed on the field brought the mayors of the two towns to the game, thus showing that the rivalry between the two towns is only pigskin deep.

*"Office practice"*

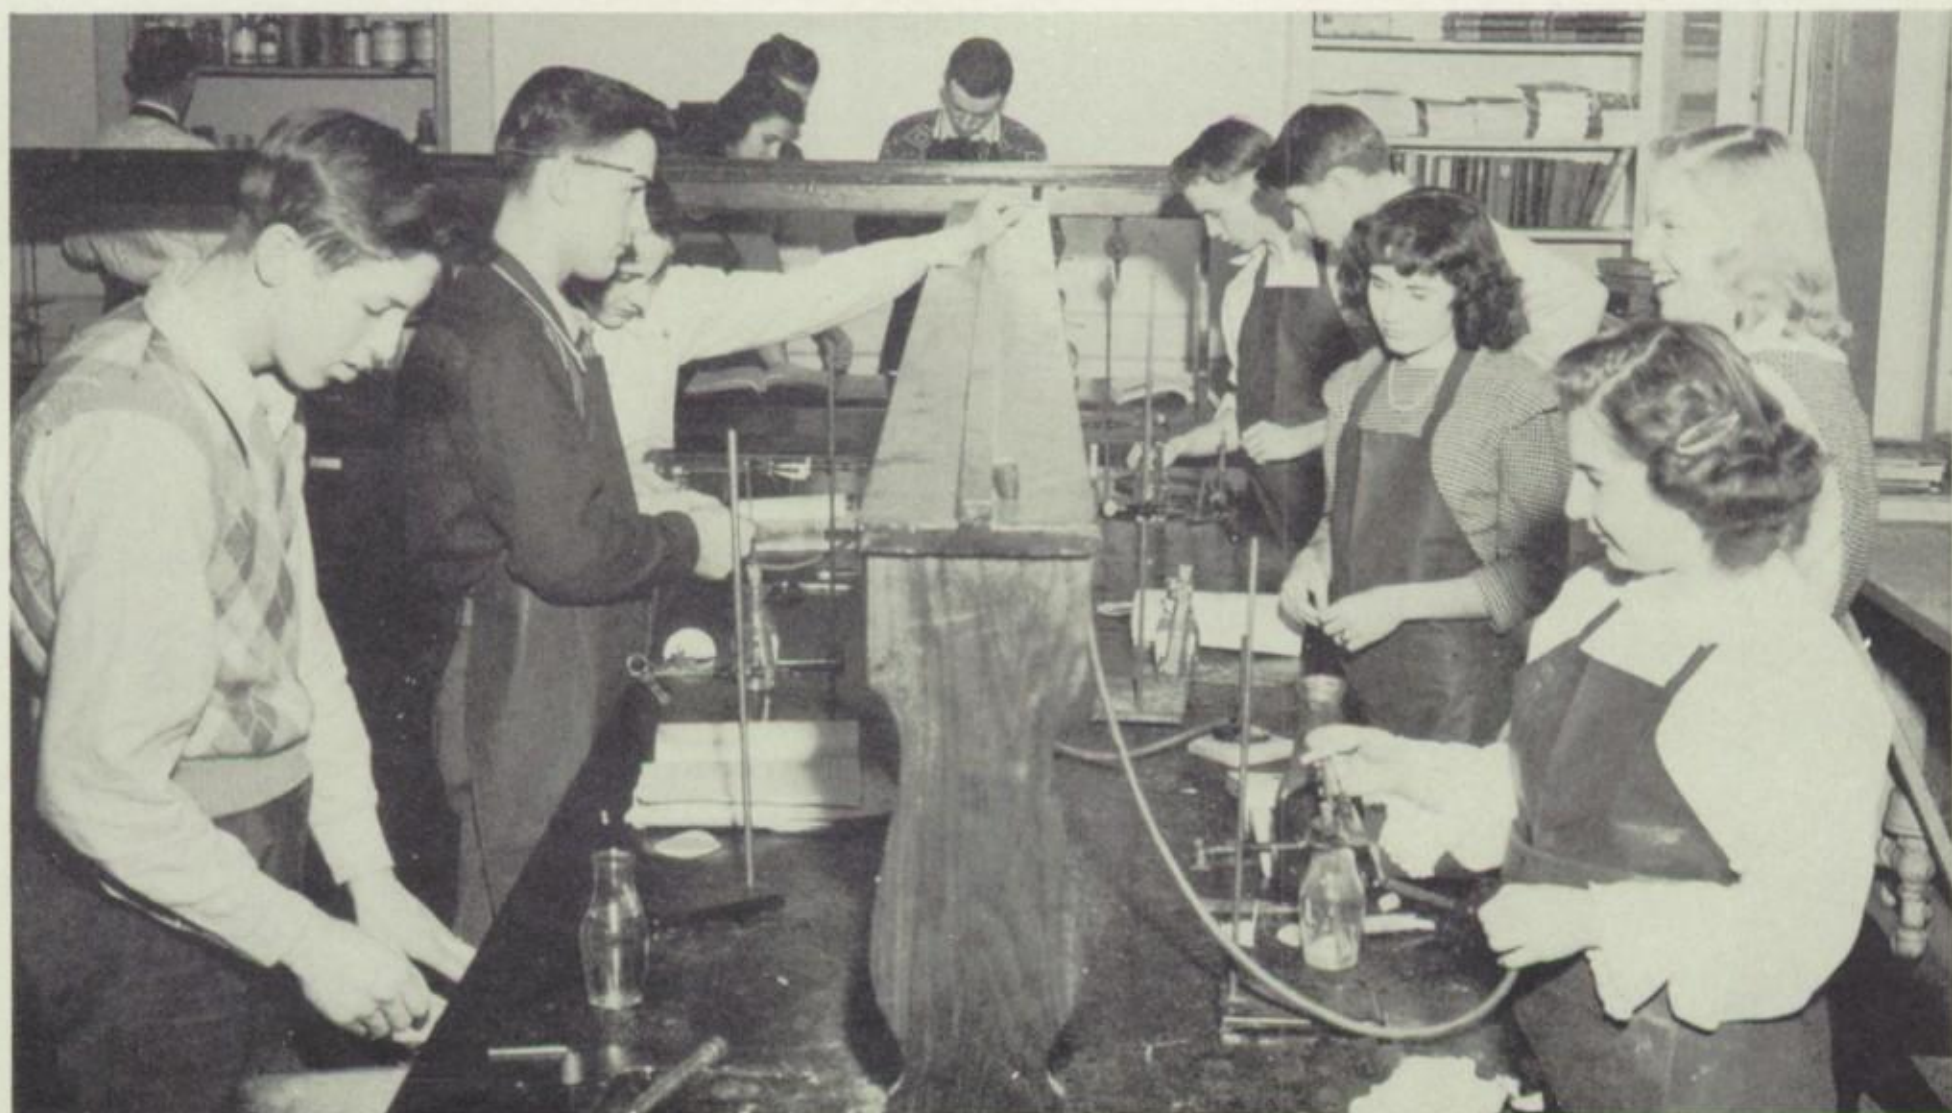

*"Seniors, stalling for time"*

## *Senior Class*

Today's students, tomorrow's leaders and citizens.

The senior class has, as usual, displayed a fine quality of leadership, ability, and service. Their outstanding influence has also proved extremely valuable to the underclassmen at E.H.H.S. They have shouldered many school problems and have taken the responsibilities of many social groups. The seniors are leaving school with the purpose of promoting peace and friendship throughout the world.

*"Chemists in lab"*

Sitting: Maureen Moriarity, Secretary; Clifford Landry, President. Standing: Wallace Strickland, Treasurer; Ann Hickson, Vice-President.

"Comprenez-vous?"

## Junior Class

By the time the student is a Junior he is no longer classified as an underclassman but as an upperclassman. He is much more matured and much more socially and intellectually inclined. With the largest class in the school, the juniors have upheld a marvelous record. Their interests are beginning to broaden and they have taken an active part in all school affairs. E.H.H.S. can be very proud of their junior class and on-coming seniors.

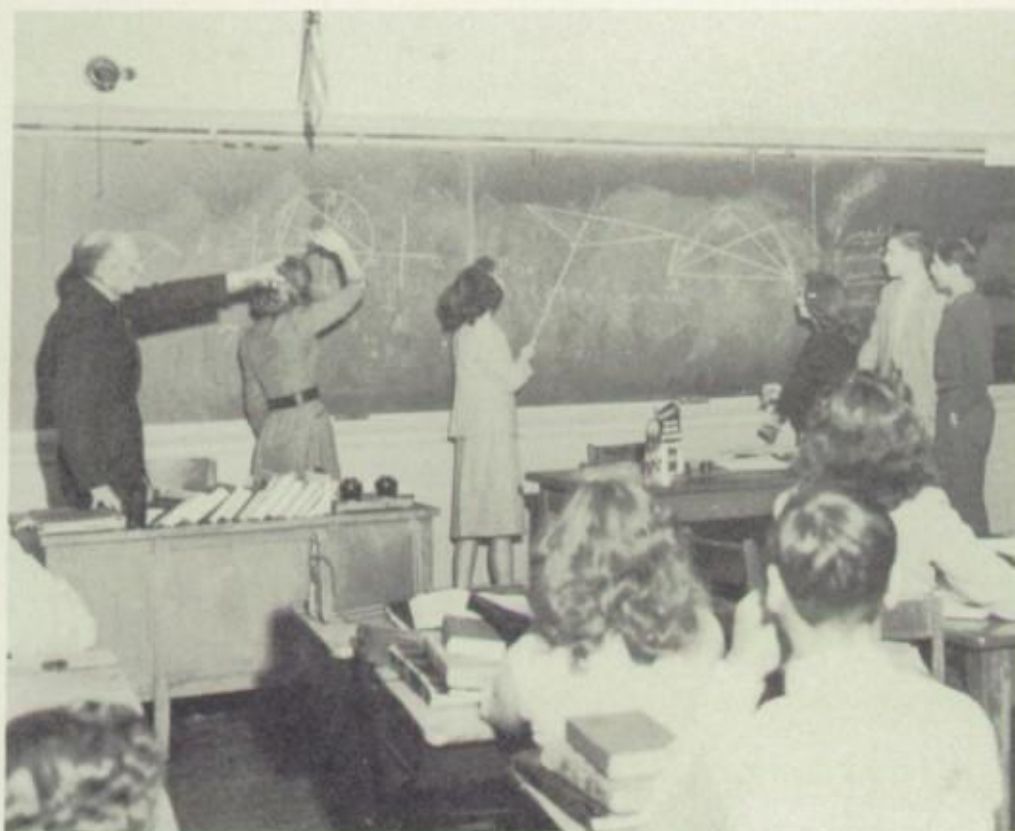

"Physics Lab"

"Take a letter, Miss."

"Have you learned your Pythagorean Theorem?"

"Bug-ology"

## Sophomore Class

Every year the sophomore class comes into the limelight. This year, all the small and meek last year's freshmen, have become larger and bolder and are taking a more active part in school affairs. This year's sophomore class is one of the best ever. It has shown a great deal of leadership ability during the year and has displayed many talents in music and sports.

Sitting: Lois Strong, Vice-President; Edward Mac-Intosh, President. Standing: Jane Sullivan, Secretary; Donald Sukosky, Treasurer.

"Typing"

$$(4X+3Y)(6X+3Y) = 2X-2Z$$

Ruth Tyler, Treasurer; Holcomb Noble, President; Beverly Pomeroy, Vice-President; Hugo Wiberg, Secretary.

## *Freshman Class*

Fresh from the different grammar schools in East Hartford these youngsters have just become a part of our high school. The freshmen this year are as small and meek as ever. They still bow to the commands of the seniors and still are frightened by stern teachers. We are proud of our freshman class even so, and are waiting to see the usual change in their sophomore year.

"Learning the basic language"

"Learn something new every day!"

## *Cheerleaders*

"Ready! Hip! Hip!" By these words you know that those wonderful cheerleaders of ours are going into action with one of their many well-known cheers. This year we have been honored in having the talented junior, Dickie Brewster, among them. The cheerleaders are operating with two squads this year and are doing a grand job.

## *Girls' Gym Classes*

Under the direction of their new gym teacher, Miss Hammonds, the girls' gym classes have been making much headway. Their activities include hockey, dancing, basketball, and calisthenics—the latter of which leaves many of them with the expression "Oh, my aching back". All in all they have been keeping themselves trim and fit.

## *G. A. C.*

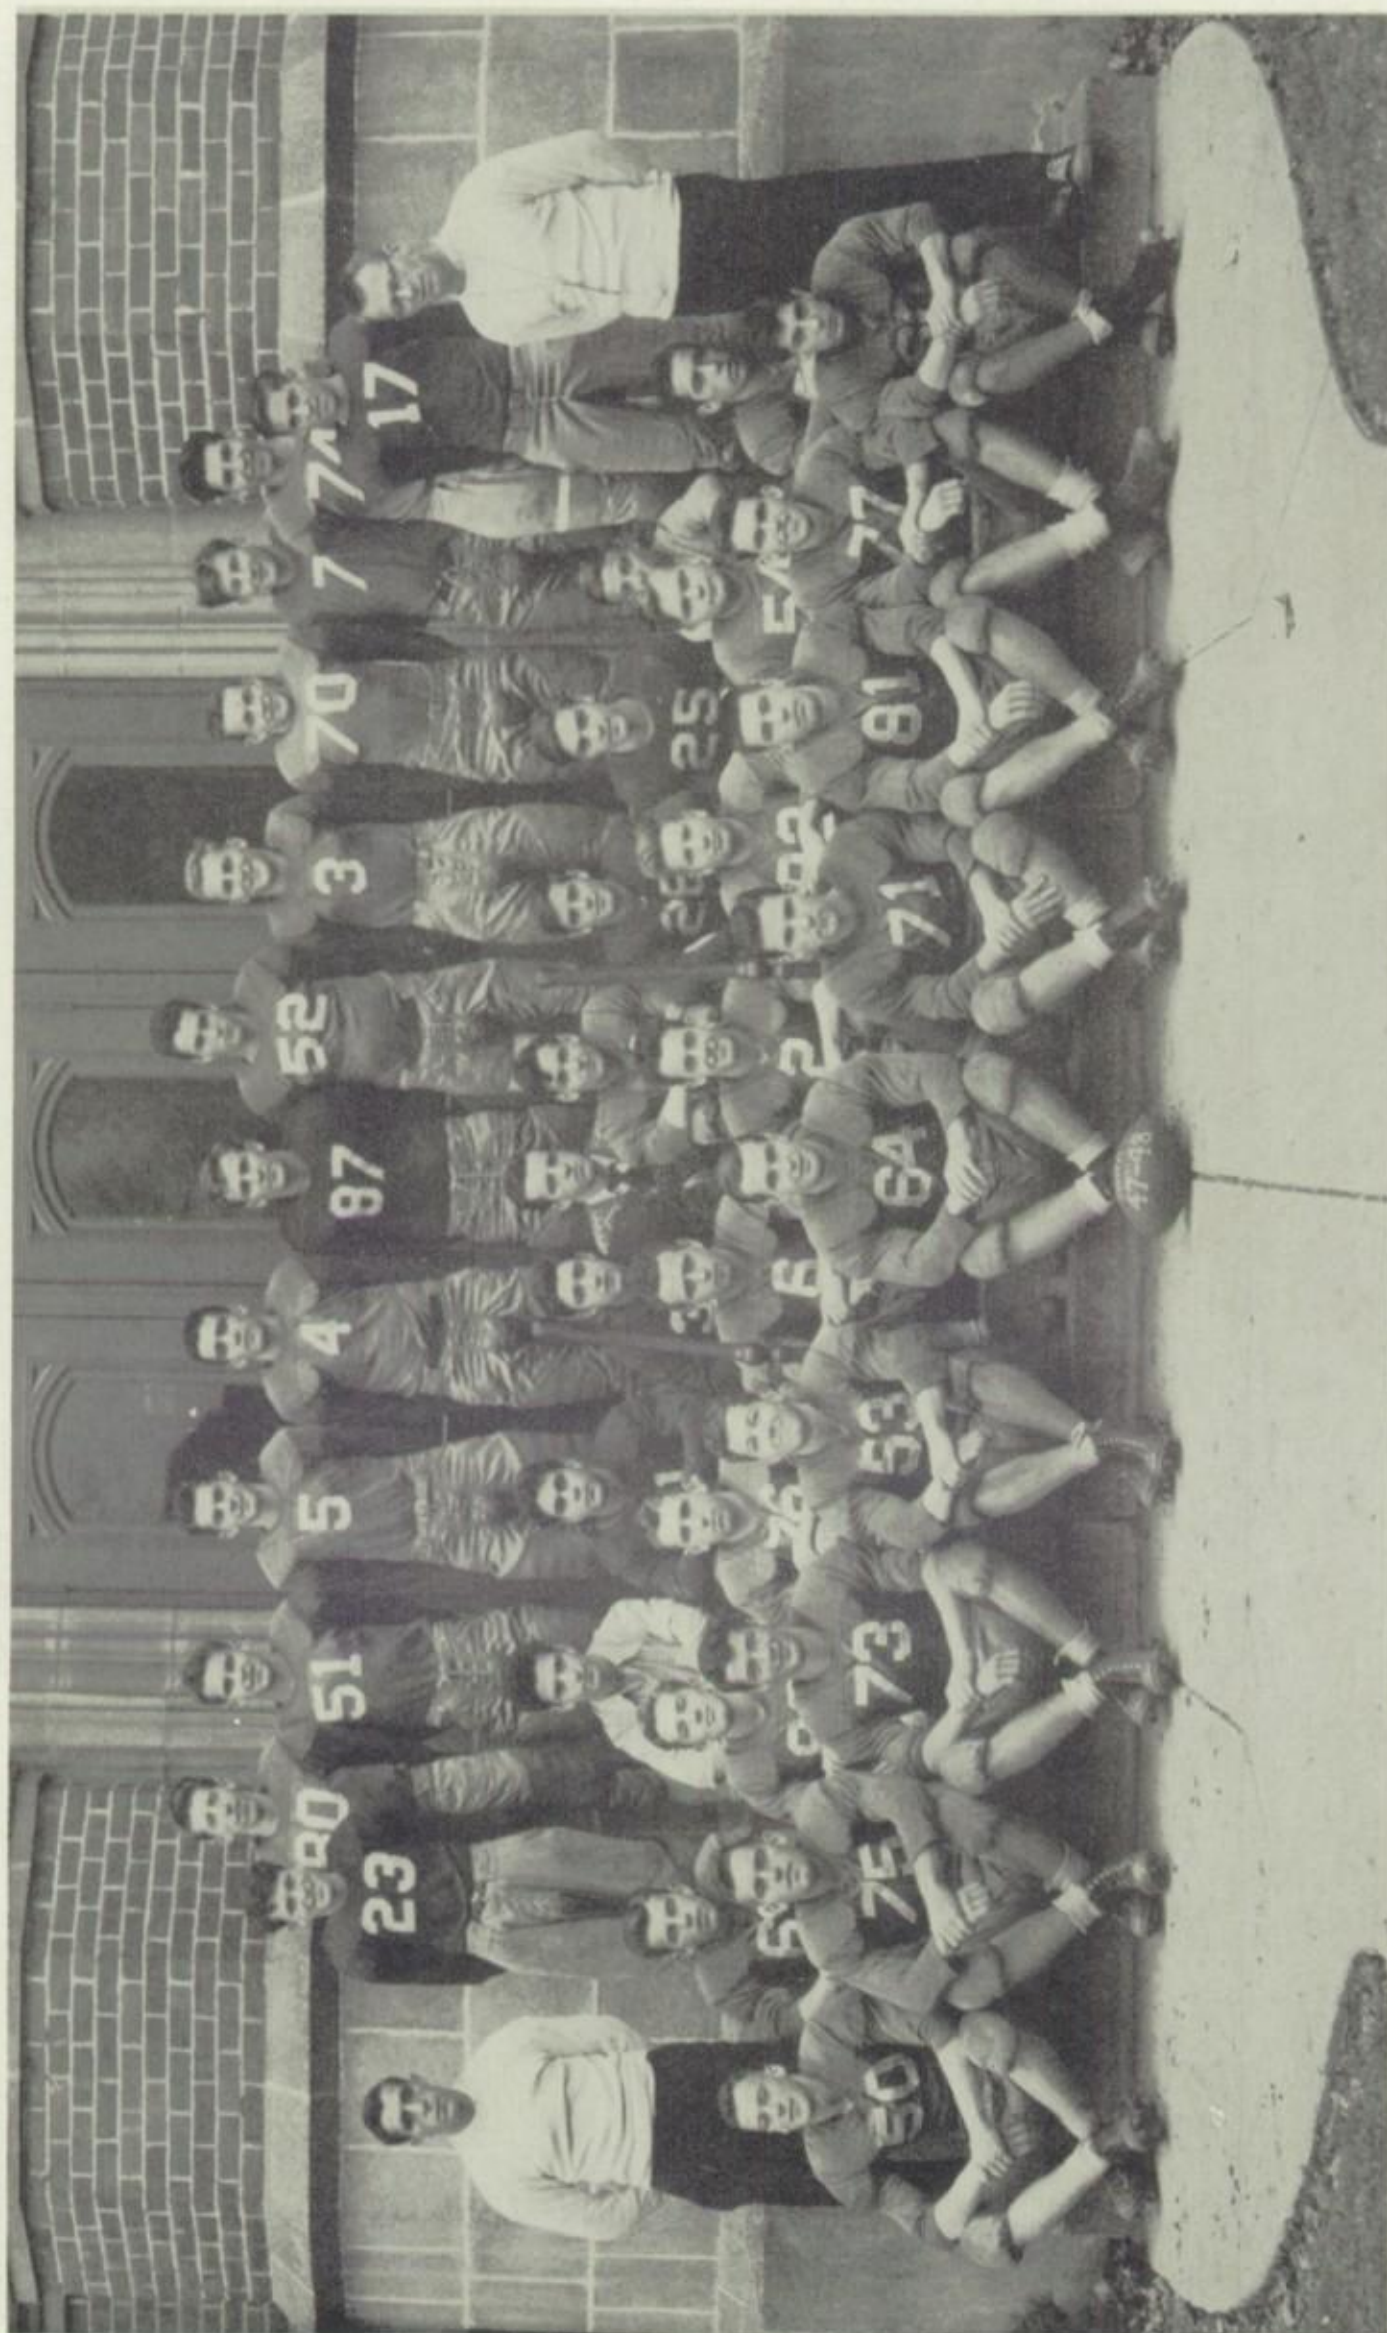

An organization to which many athletic girls are proud to belong is called the Girls' Athletic Council. Here they discuss the sports program and plan different events. Every year they sponsor a Sports Night in which two teams called the Red and Gold teams display their talents in basketball, skits, volley ball, and tumbling.

## *Girls' Leaders Club*

The Leaders Club, under the guidance of Miss Hammonds, gives every girl a chance to develop leadership. This club is composed of junior and senior girls who assist with gym classes, teaching others how to take part in the different sports and games connected with physical education. The main event sponsored by the Leaders Club is the annual Sock Hop. The leaders are a busy group of "good sports" full of fun and cooperation.

LaForge, M. Lanza, C. Landry.

# F O O T B A L L

The 1947 football campaign was carried on under the able and inspiring coaching of Karl Kurth who came to East Hartford as head football coach and Director of Athletics. His assistant was Jim Dooman, who coached the backfield. We used a single-wing unbalanced, and often shifted into a modified T-formation for deception.

The squad in 1947 was smaller both in size and members than it has been in many years. The reason for this was that the varsity was limited to a small number in order to improve its quality. The first team was small but excellently coached and conditioned as was the entire squad. They were Bob Bigoness, Ray Desroches, Al Hawkins, Captain Larry Tully, Bill Nolan, Bob Holt, and Pete Guastamachio on the line. The starting backfield was "George" Fournier, Ed Wierzbicki, Al Scott, and Ed Blanchard. Fournier and Blanchard were elected co-captains for the coming season.

We had high hopes for a successful season; and though the records show but one victory, we who played and cheered in 1947 know that victory isn't judged by score alone.

We opened our season, as usual, at Municipal Stadium against Hartford High before a near-capacity crowd. We dropped the decision to a tough Hartford team, but we were not shut out and went on to prove our scoring ability throughout the season. This came to a climax toward the end of the season when, after losing to Weaver, Woodrow Wilson, and Manchester by margins not exceeding 2 touchdowns, we fought a championship Plainville squad all but to a standstill before finally being outpointed 19-6 in a bruising tilt. The following Saturday we came up against a favored Windham team at Alumni (Dust Bowl) Field. The team which has been listed started the game and scored three touchdowns in the first quarter. This was more points than any East Hartford team had scored in one game in that period of time since we had been in high school, and the entire student body was thrilled.

We closed our season Armistice Day at Sterling Field in West Hartford, dropping in the final quarter to a big Hall team 25-14 in what probably was the best football game in the district in 1947.

We followed up the season with a banquet as guests of the Rotary Club. Announcement was made later of the choice of Captain Tully and Ed Blanchard to the All-District Squad. Honorable mention was given to Tony Zebzda, Ernie Fournier, "Duck" Fern, Bill Nolan, and Al Hawkins—fitting tribute to our team and our coaches.

Front Row, left to right: M. Klingel, F. Kiernan, J. Butler, P. Guastamachio, A. Scott. Second Row, left to right: E. Fournier, C. McCarron, F. Huppi, P. Bezzini, D. Leonard.

# B A S K E T B A L L

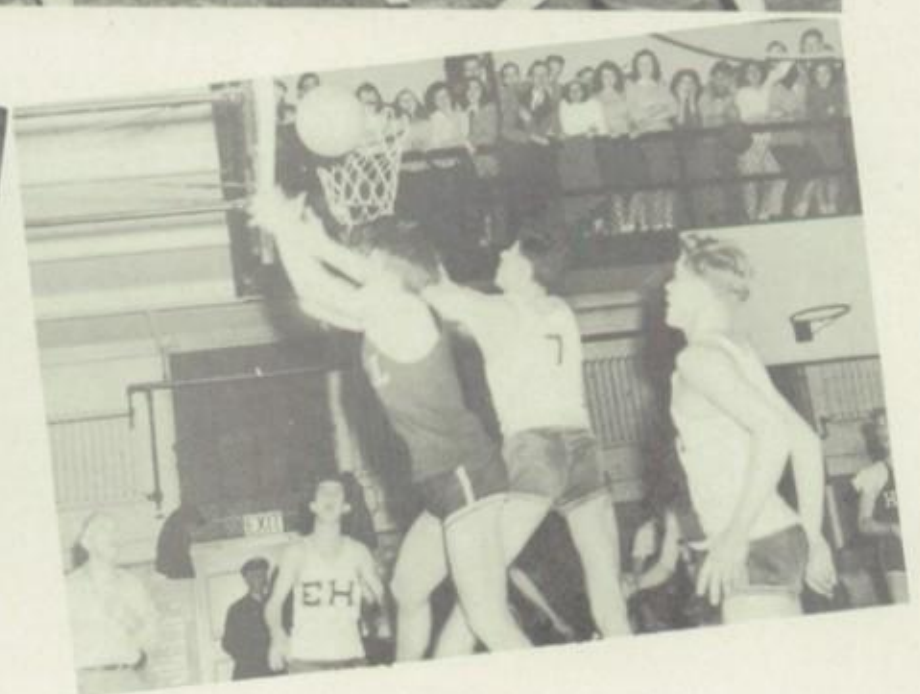

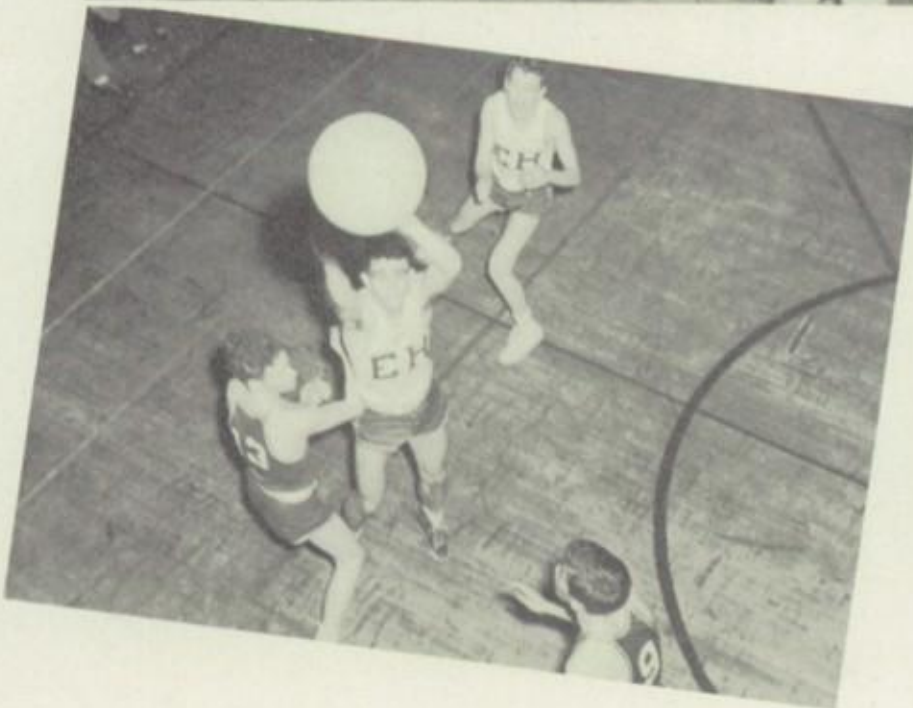

Coach Howard Goding this year turned out what probably was as fine a basketball team as any East Hartford High has ever had. One thing which stood out throughout the season was our ability to beat decisively the opposition in their home courts. Although we were beaten a few times during the season we emerged district champs and were the first team in the district to qualify for the Class A tournament in New Haven—the first time an East Hartford team has done this.

Just after we opened our season by trouncing Rockville 50-23 Captain Ralph Kryzak was ruled ineligible to compete and we forfeited the game. Despite the loss of Kryzak, a starting forward, the team gained momentum and earned the honor of being the fastest team around in knocking off Bulkeley, Weaver, Hall, Hartford, Manchester, Wethersfield, and Rockville again. The first five was made up of Capt. John Butler and Fred Huppi at forward; Pete Bezzini, center; and Ernie Fournier and Marty Klingel at guard. Highlight of a season, which was heavily dotted with excitement and success, was the 41-22 drubbing of a favored Hartford team at Hartford, by which we assumed undisputed leadership in the district.

Outstanding during the season were Pete Bezzini's ability under the backboard and John Butler's floor game and spectacular one handers. Ernie Fournier was great on the defense, saving many a point by his ballbounding; and his running mate in the back court—Klingel—stood out as a playmaker who worked the ball in so that it would be laid up. Huppi turned in consistent performances, which, though they were probably not so eye-catching as some of the others, certainly were an important factor in the production of so many victories.

The jayvees, too, turned in an impressive record at the end of the season; and although their performance was not given so much attention as it deserved, it showed, nevertheless, that in the future, East Hartford High will have more fine basketball teams.

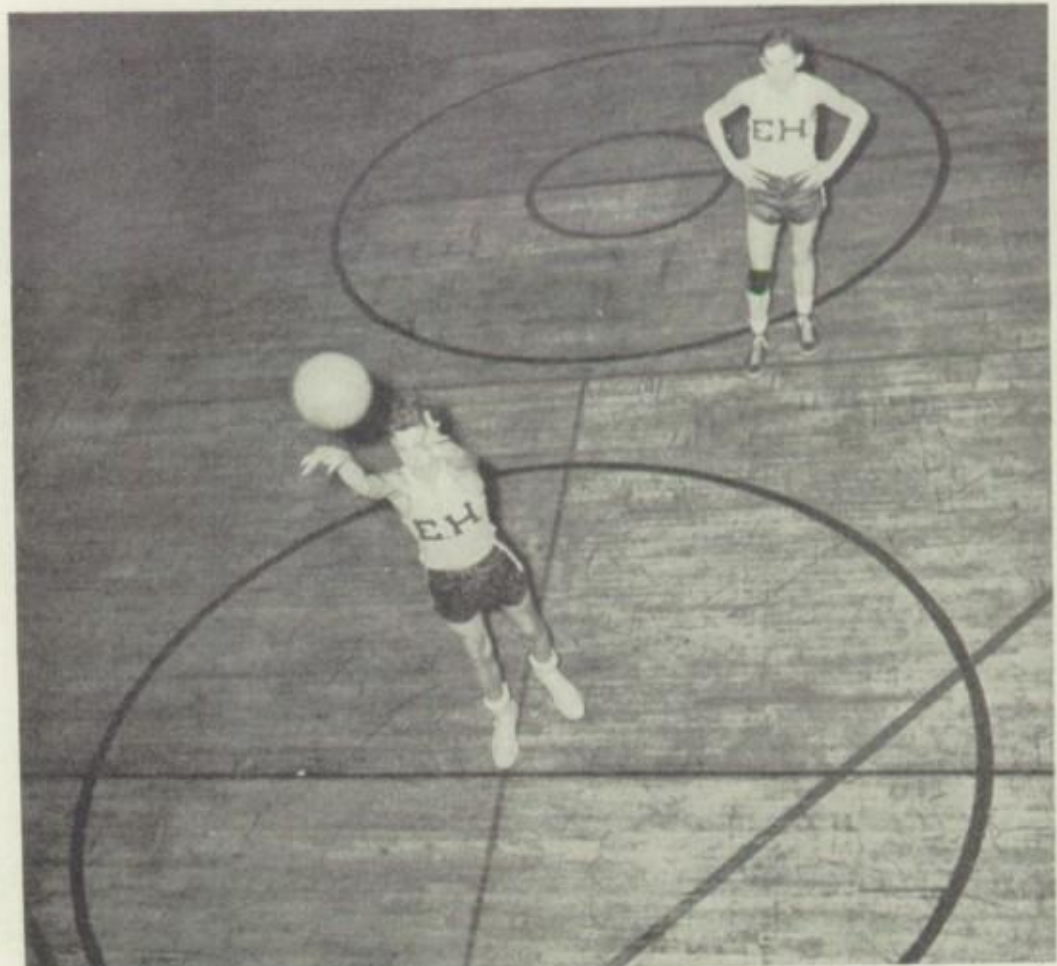

## CLASS

## BASKETBALL

During the football season the basketball courts at East Hartford resounded night after night with the activities of intramural cagers. The games were played under the direction of Mr. Dillon, and a large number of participants and spectators took advantage of the program.

Among those who took part in the class basketball league were teams representing the college, practical, and commercial divisions in all four classes. The championship squads were Senior General: A. Fournier, M. Klingel, T. Temple, J. O'Connell, A. Pierson, F. O'Connor, C. McCarron; and Sophomore Practical: C. Stetson, R. Temple, H. Callender, R. Farrow, P. Turcotte, R. Dickerman.

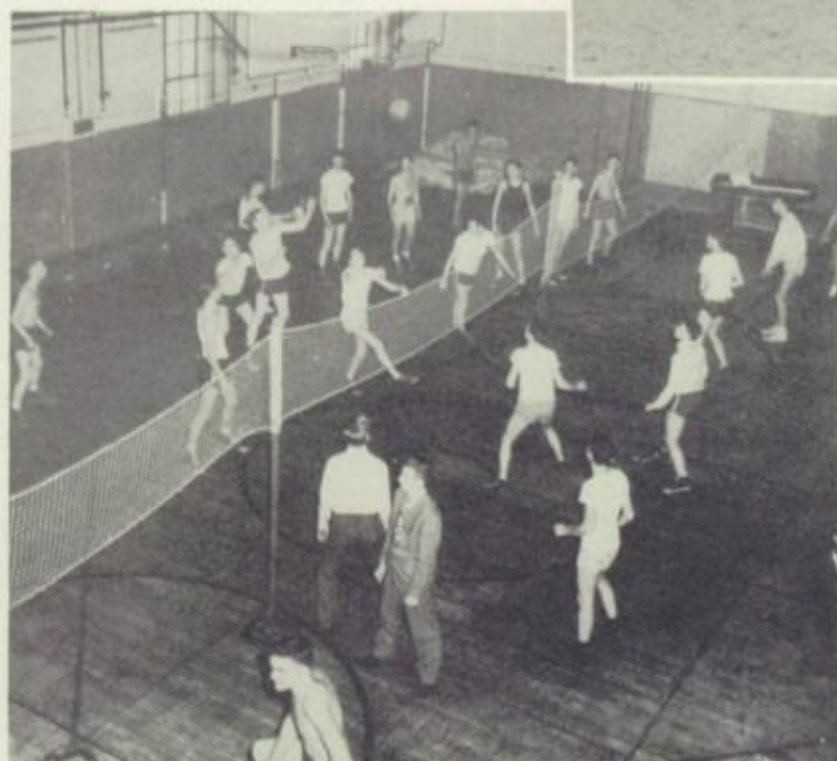

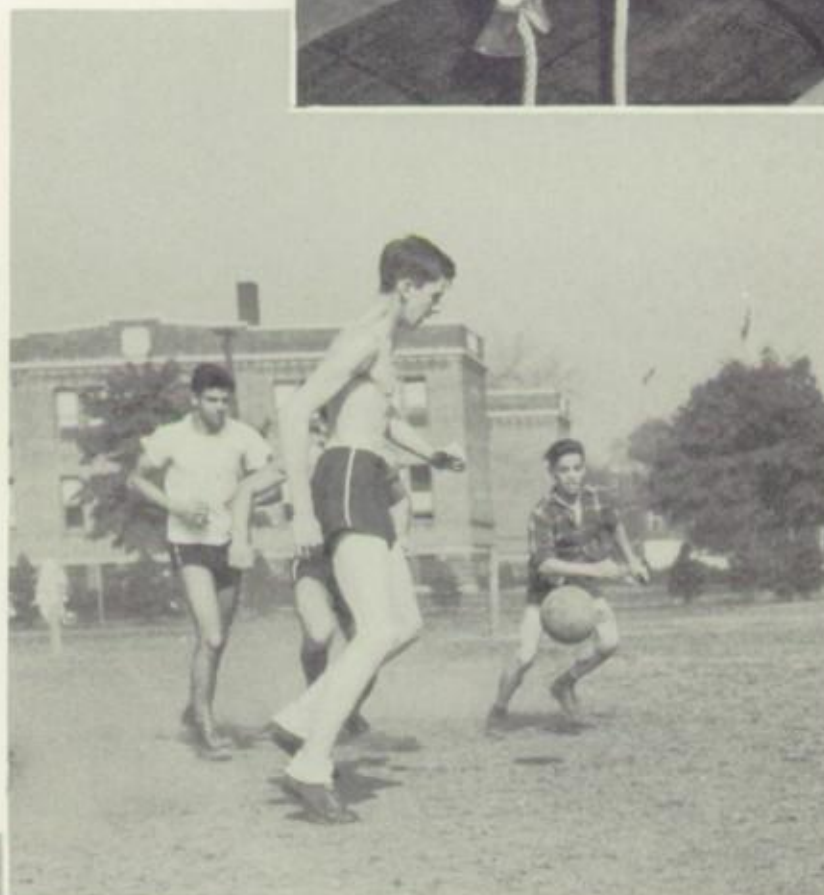

A fine brand of ball was exhibited by all the teams throughout the season. The quality of ball was due at least in part to a large turnout of varsity and junior varsity basketball players who came out to get in shape for the season. Also there was a large number of boys who desired to develop their play so as to be able to make the varsity teams.

Included in the school curriculum at East Hartford are two periods weekly devoted to physical education, in which all boys who are not physically unable must participate. The physical education program is under the direction of Mr. Kurth and Mr. Dillon.

# GYM

During the fall and spring we went outside for our gym periods. We played touch football, soccer, and softball. Probably none of us will ever forget the cross-country course through the meadows and up the boulevard. As the weather grew colder we remained indoors for gym. Here we played basketball, kickball, and volleyball. Many of our classes were devoted to rope climbing, wrestling, gym apparatus, and drill.

# T R A C K

Once again Coach Dillon greeted a large and enthusiastic turnout for his early spring track call. Among those returning were Captain Tony Carroll and Ed Blanchard—two boys on whom Coach Dillon depended to bear the brunt of the point-making this season.

As we all know, East Hartford has always come up with a fine track and field team under the expert coaching of Mr. Dillon. This year, again being endowed with that fine competitive spirit that has always earmarked East Hartford teams, we were certain from the beginning that we would again have a winning season.

We knew that the team would be entered in the State Relays at the University of Connecticut. Meets were scheduled with the other schools in the district as is customary.

# B A S E B A L L

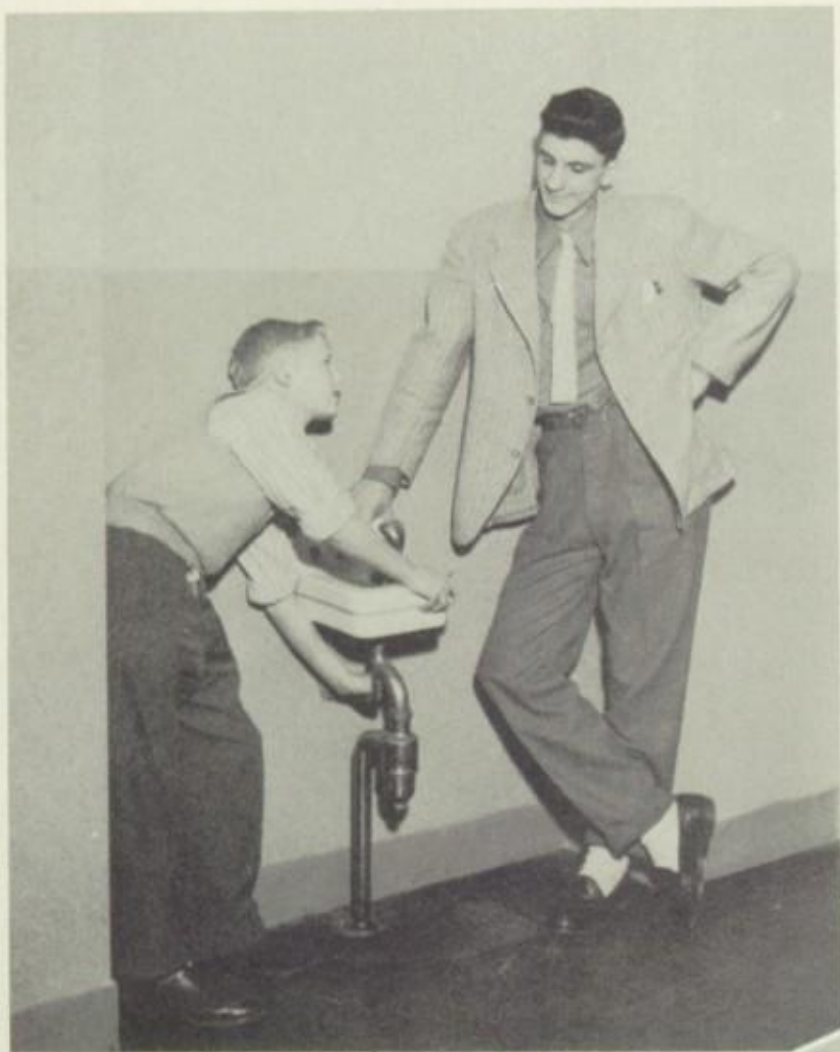

The diamond at Martin Field resounded once more with the echo of batted ball and thumped glove as the East Hartford ball club took the field. Coach Howard Goding had a large turnout of veterans and newcomers from which to choose for his starting nine.

Although the baseball record for last year was not very impressive, East Hartford having come out on the short end more times than was its due, it served to develop a number of boys who came through and played excellent ball this year.

Veterans coming back were Bob Blanc and Tony Zebzda, who shared the majority of the starting assignments on the mound. Other boys with much experience under their belts are John Butler, Marty Klingel, Alan Scott, and Terence Crowley. East Hartford once again played a schedule of about 14 games, among these being Hartford, Manchester, Hall, Bulkley and Weaver.

## MARY M. MORLOCK SCHOOL OF THE DANCE

TAP - TOE - BALLET - ACROBATIC

The skill and knowledge necessary for good dancing can be had only by a thorough training under a competent and experienced instructor. The benefit a child derives from learning to dance, if he is properly taught, is readily noticeable in improved physique, in mentality, in grace, artistic and musical sense as well as rhythm.
